President's Report

Hi Everyone

Thanks to those who turned up for the inaugural President's Run, it was a good day with 11 cars making it. Congratulations to John and Maria who took out *Best Presented Car* on the day.

Well, *the Cooroy Car Show and Swap* meet is almost here and it looks like we are up to speed with everything. Don't forget the working bee on Saturday the 19th October, there will be plenty of work to do. And a big "Thank You" to those who have already done so much. We've put a lot more work into promoting the Show this year, I'm sure it will pay off. I've personally had a lot of enquiries about the Swap meet.

There's a lot of stuff happening in the near future - CCTV, new run venues, Club Show, Xmas Party, Camp-out at Noosa Northshore Retreat - so look forward to catching up with you then.

Don't forget working bee 19th October.

Take care, drive safe.

Jeff

Featured Vehicle

Featured Vehicle – 1981 Chevrolet Corvette Stingray Coupe Owned by Cliff and Jacqui Watson

I am an Auto Electrician by trade. For as long as I can remember I have worked on hundreds of cars, trucks, buses, cranes, planes, boats, bikes, dozers loaders etc and a lot of custom cars. I knew Peter Werret, worked on his Alfa, met Dick Johnson a number of times, was into the Vanning scene back in the 80's, worked on AC Cobras, Ferrari and Lambos but never had my own Hot Car. Then my 53rd birthday came. I saw a 'Vette for sale and went *WOW!* I have to get one of these! Yes, mid-life crisis kicked in. I looked on the internet and found one, this one. A week later I was driving it. Will never look back.

Car Club Runs

Coolum Fish and Chip Run Friday 13th September

Coolum Seafoods has done it again. I'm not a fan of fish and chips but have to admit this was really good!

The group drove down separately, met at Coolum and enjoyed a very pleasant evening of conversation, laughs and good value food. The street-scape improvements have made this area very popular which added to the atmosphere. Unfortunately street parking is limited and we parked in the busy carpark where Bea and Darryl had a minor incident.

With both the boys away at work, Jenny and I drove down in their 4x4thanks to Jenny for getting us there despite the way I gave directions. (Pointing doesn't work in the dark.)

President's Run Sunday 22nd September

The Club headed to Kenilworth for the inaugural President's Run. A good turn-out of 11 cars made for a great start. A stop at the Kenilworth Cheese Factory to sample the produce and lunch in the park rounded off the day.

Congratulations to John and Maria for *Best Presented Car* on the day.

Looking forward to making the President's Run an annual event and adding it to the Events Calendar!
