IMPORTANT MESSAGE RE COVID-19

CCCC Members and Families

The management committee has discussed the potential impact of the coronavirus COVID-19 on our members, club and community. The number one concern is the health of all our members and their families, particularly those who are vulnerable if exposed to this virus.

Committee has therefore made the decision to cancel all club monthly meetings and cruises until further notice.

In the meantime things will continue as normal as possible. The management committee will continue with the regular running of the club - pay the bills, deal with the correspondence, handle memberships etc.

As you can appreciate, this situation is unprecedented and ever changing. Members will be updated with any relevant changes, including updates on the Swap Meet and Cooroy Car Show.

Any one with queries can either phone the appropriate committee member or email admin@combinedcoastalcarclub.com.au. (Details attached)

Please follow the professional advice on how to keep yourselves and others well during the COVID-19 outbreak. Looking forward to a ripper of a club event when the community returns to "normal". We look forward to seeing all of our members and their families as soon as possible.

Stay safe

Regards

Biggest Ever “Chryslers on the Murray”

What an event! The 2020 *Chryslers on the Murray* (COTM) was held over the week-end of 13th-15th March at Gateway Lakes, Wodonga. And wouldn't you know it, work just happened to be within driving distance!

COTM is the largest Chrysler show in the southern hemisphere. This year's entrant count of 931 made it the largest show hosted by the Albury Wodonga Chrysler Car Club since its inception in 1992. Three records were broken over the week-end

- Most entries on a Saturday
- Most entries on a Sunday
- Most American Muscle car in one location in Australia

With the Spotlight on *US Muscle Cars*, the week-end was massive. Friday - sprints and cruise; Saturday - swap meet, entry and judging; Sunday - swap meet, Show & Shine and Trophy Presentation. First highlight of the week-end was the sight of cars leaving on the return leg of the 60km round-trip cruise to the Gregory Pub. Followed by the Australian version of *Fast and Furious* up the main street

on Saturday night.

There were plenty of *CL Chargers*, *Regals* and muscle on show to satisfy this fanatic. The 1978 CL ute and van in Lemon Twist would complement my coupe nicely. The 1981 *LC Lancer* was a trip down memory lane – the first “family” car bought the year our daughter was born. No idea how the family fitted everything in – including two children's car seats on the back seat. There was definitely no head room for anyone over 6'.

Spotlight in 2021 is *50 Years of Chargers*. Our accommodation is already booked for 12th-14th March and the road trip is being planned. Any members are welcome to tag along. Dave.

Thanks to everyone for their interest in the event and the support of sponsors, volunteers, Fraser Coast & Wide Bay Car Clubs.

Unfortunately the Imbil Easter Carnival has been cancelled

The Imbil Easter Carnival for 2020 has been cancelled on the recommendations of the Australian Government and health authorities regarding non essential, organised gatherings of more than 500 people. The carnival is a much loved community event so the decision to cancel was not taken lightly. We must follow the advice of health officials to ensure the health and safety of attendees and everyone involved with the event. We are currently working through the implications of the decision and will provide further information and advice as soon as it's available. The Imbil Easter Carnival will shine brighter than ever in 2021!
