## We're on the road again! Hinterland Run

What looked like being a drab and damp day turned into a perfect day for a run. The occasional light drizzle made the day interesting as we wove out through Kenilworth to Conondale for a coffee stop. The run then twisted & turned through Maleny, Peachester and into the Mooloolah Valley heading for Ewan Maddock Dam. Naturally, everyone had the same idea with Lee & Sandy being the only ones to score a park - so it was on to a quieter spot. With good company, balmy weather and time to chill, it was 2pm before anyone knew and time to head home and face the chores!

Thanks Bea and Darryl for getting us on the road at short notice. It was just what we all needed!!!!

## Goomeri / Kinbombi Falls—Sunday 10<sup>th</sup> April

COVID, the weather, and other events may have kept us off the road for much of 2020 & 2021 – but we are making up for it! Another magic day for our run to Goomeri and Kinbombi Falls. Garry (first run as Co-ordinator) and Darryl led off from the clubhouse with pick-ups along the way at Chatsworth RV Stop north of Gympie, and another on the Wide Bay Hwy. The highway cruise was a change from the twist and turns of the Hinterland run.

Morning tea stop was at Goomeri. The delicacies at the iconic Goomeri Bakery were irresistible (BEST Worcestershire sauce). Vehicles on runs passing through the town were awesome to watch – great way to spend Sunday morning! (Shout out to GHAC who passed by on their run to Bjelke-Petersen Dam.) Back on the road again we were off to Kinbombi Falls to catch-up with more members and maybe walk the umpteen steps through the gorge to help us feel a little less guilty about the indulgences at morning tea.

The afternoon was whiled away, laid-back under the trees, with lunch and socialising as members who had been isolated caught-up. Our laughter echoed through the park and we probably owe the campers, wild-life and anyone within 20km an apology for shattering their silence. It was good to see Alex & Carolyn again and to meet their friends Doug and Julie who were along for the run. A sign of an enjoyable run is often how long everyone lingers. Members were still gathered, idly chatting late in the afternoon. For those who went Cooroy/Goomeri/Kinbombi Falls/Cooroy via Widgee it was a 270km cruise. It was longer for Brian, Garry & Jan with the extra leg to/from Caloundra.

Thanks to Garry for pulling the run together at short notice, Darryl for not leading anyone astray, the members who suggested the run, and everyone who made it such an enjoyable day.

*To all members celebrating their Birthday in April!*
