

Combined Coastal CAR CLUB

ALL TORQUE

August 2020

Solar Powered Car Club

The club now has Solar Power, bSolar did the lot. New meters are to be installed as well, soon, as the old ones are antiquated, and of course the rain started the night the panels were put up!

I also fitted a new gate to the front fence and a lock and chain.

I was there all day for the fitting starting at 8 am and was all done at 5:30, first class job, well made, stainless steel and aluminium fittings very sturdy, far better than I was expecting.

So soon I hope we will have never to pay for power again!

Take care, see you soon. Cliff Watson, Club President.

Ps Bea and I both did a CPR and First Aid course with Certification.

Quotes for gate and fittings

Next meeting: On Monday the 03/08/2020 7.00pm

Old Car Advertisements

Australian with a world of difference!

THE FORD FALCON IS HERE. A beautifully sophisticated new car that combines low cost and great economy with beautiful styling, superb comfort and complete resources of power and safety.

A world of difference in styling. Falcon passes under your outstretched arm, is 184 inches long, and is the widest, roomiest car in its price class.

It brings a world of difference in ride and handling-ease. For you get a brand new grip on any road you travel. A new length in wheelbase, new width in track, and ball-joint front suspension let Falcon take the turns without tilt, and the bounce out of bumps.

As for performance. Falcon is primed for action! Its 6-cylinder, oversquare-design engine gives you 20% more developed horsepower than its biggest competitor. And brings you savings you've never known before—up to 30 miles to every gallon of petrol, oil changes only every 4,000 miles instead of every 1,000 miles.

Inside, Falcon's beautiful proportions give you more room for six, more width for hips, headroom to spare for hats, stretch-out room for legs. All fine-car touches are here, too. Soft, foam-cushioning; richly grained vinyls and luxurious nylon fabrics; padded armrests on all doors;

two sun-visors; two ash trays; coat hooks; cigarette lighter and door-operated courtesy lights.

Perhaps best of all, Falcon brings you world-famous Fordomatic Drive. It takes 92% of the effort out of driving because there's no gear lever to shift, no clutch pedal to push.

So there's the Falcon. Beautiful! Powerful! Economical! Spacious! Australian with a world of difference at a price you can afford. And your Ford Falcon Dealer invites you to discover Falcon for yourself today in a test-drive with no obligation.

FORD MOTOR COMPANY OF AUSTRALIA PTY LTD.

On display and ready for you to drive today at your Ford Falcon Dealer's

BRITISH CLASSIC CAR BUY SWAP SELL
Australia's only dedicated classifieds site for classic British cars

Home Ads by marque For Sale For Swap Wanted Place an ad Create an account

Hi all,

I am writing to introduce your club to my latest personal project – **British Classic Car Buy Swap Sell** (www.bccbss.com.au) – a dedicated classifieds web site for owners and fellow enthusiasts within the Australian British classic car community.

As an MG enthusiast, former member of the MG Car Club of Wagga Wagga, and a web and graphic designer by trade, in July 2016 I created MG Buy Swap Sell - a classifieds web site dedicated to the Australian MG community. Over the years the site has grown and continues to receive strong support from the community. However, like other MG enthusiasts, my interests extend past MG alone, and as a result, I've now expanded the site to include other marques and given it a new identity.

Joining British Classic Car Buy Swap Sell is absolutely free, as is placing ads. Users can place as many ads as they'd like, each including as many photos as they like. Although free, donations are always welcome to help support the site's on-going costs.

I encourage you to pass news of British Classic Car Buy Swap Sell on to your members. Feel free to forward this email or simply place a mention in your Club's next newsletter. Your support would be greatly appreciated, and in the meantime, if you have any questions, feel free to contact me.

Andrew McCurdy
