If that isn't enough, submit an Impromptu Run to and invite other CCCC members to a destination of your choice!

Thanks to *Mary Valley* and *Noosa Country* shows for the entry. Congratulations to Darryl, Eddie, and James for your prizes at Noosa. *MUST* mentions are the efforts by Rob D & Allan to transport the historical vehicles; and James, his son, and the other volunteers who worked tirelessly the *Noosa Show* gate. Along with Julian for organising *Turning Tyres on Thursday* which provided popular in September.

See CCCC members at *Club Torque* 7pm Monday 2nd October and car show prep on 8th & 14th October.

Looking forward to seeing everyone in Cooroy on Sunday 15th October for another ripper of a car show. Pre-register at [2023 Cooroy Car Show | Humanitix](#) to secure your spot.

Special Interest Vehicle Concession Scheme Guide

What to carry in your vehicle

"We recommend you carry paperwork that supports your reason for travel. This could include:

- club newsletter
- club calendar of events.

If your vehicle is being used and displayed for a funeral event, we understand there may not be enough time to include this as an event on an official club newsletter or calendar of events. In this instance, a funeral notice or an order of service would be suitable to support your reason for travel.

If you use your vehicle outside of the conditions of the special interest vehicle concession, you may face a fine or risk having your concession revoked."

Combined Coastal Car Club INC
Management Meeting Minutes 1st September 2023
17 Johnson Park, Mary River Rd, Cooroy 4563

Meeting opened at: 7:10pm **by:** Vice President Giles Whittle Herbert

Apologies: Cliff Watson and Elias Kyritsis

Secretary Report: that the previous minutes are an accurate record of the meeting.

Moved by: Bea Nielsen **Seconded by:** Giles Whittle Herbert **Carried**

Treasurer Report: moved that the report is accepted, and accounts paid.

Moved by: Kym Anderson **Seconded by:** Darryl Nielsen **Carried**

Kym attended on-line workshop about Office of Fair-Trading changes. See appendix for Main Points. Major change for CCCC is to OFT financial reporting thresholds. From 1st July 2023:

- **Large associations** (previously Level 1) changed from current assets or revenue of more than \$100,000 to either (a) current assets of more than \$1 million or (b) total revenue of more than \$500,000
- **Medium associations** (previously Level 2) changed from current assets or total revenue between \$20,000 & \$100,000 to either (a) current assets between \$300,000 & \$1 million or (b) total revenue between \$150,000 & \$500,000
- **Small associations** (previously Level3) changed from current assets or revenue less than \$20,000 to current assets of less than \$300,000 **and** total revenue of less than \$150,000.
- **Small associations** must complete a full audit if association is required to do so under another law, including Collections Act (e.g. fundraising) and Gaming Machine Act (e.g. pokies). In all other cases, verification is enough unless members specifically request an audit. President **or** Treasurer need to verify the financial statements. If satisfied, they will provide this written, signed statement: *The association's financial records show the association keeps adequate financial records that correctly record and explain transactions and enable a true and fair financial statement to be prepared.*

Moved: that a motion be put to members at a General Meeting on Monday 4th September to consider the Office of Fair Trading changes and remove the requirement for an annual audit of the Club's financial statements.

Moved by: Kym Anderson **Seconded by:** Bea Nielsen **Carried**
