## A True Story

For the past 13 years or so I have entered our 1965 HD Holden Premier in the *HD – HR Nationals*. This year it was to be held at Redland Bay, Qld on the second weekend of June. As usual we pre-registered in early February. This consisted of entry for the car, entry for Anne, a club T-Shirt, meals and accommodation.

But then came COVID-19. The show was cancelled, then rescheduled to a new date of 4<sup>th</sup> October 2020. That date seemed okay at the time, but then there was a hotspot of the virus at Redland Bay.

Anne and I decided not to go. I rang the President of the *HD-HR Nationals* to cancel our entry and asked if I could be reimbursed our entry minus the cost of the T-shirt. I was glad he was sympathetic about it all, he understood the problems, and okayed what I had asked.

A week prior to the show date I got a phone call from the President. He said they knew our car and asked if I could make a video and send it on. I'm not skilled in this type of technology and did not think we could manage it.

Now for some luck! Our son Peter stopped in on his way home from Bundaberg. I told him about the video, Peter said it would be possible to make it on his phone, and it was sent. Trophy presentations for the show are held in the evening and we thought the video may be shown as part of this. They held the show on 4<sup>th</sup> October and we never thought any more about it.

About a week later this box arrived at our doorstep. I said to Anne that my T-shirt from the show had arrived. On opening the box we found a COVID-safety pack our entire good bag with my entry No 46 my T-shirt and right down the bottom was a large trophy.....

### **1<sup>st</sup> Place Unrestored Original Category.**

Our car was judged on the video we sent in and won first place in its category. This was a pleasant and unexpected surprise!!

I rang to thank the President and he told me there were about 10 other video entries in different classes. All up there were about 40 entries, not a bad show considering the COVID-19.

Over the past years we have entered the *HD-HR Nationals* in places like Goondiwindi, Bathurst, Bendigo, Canberra, Shepparton, Mudgee and Toowoomba, just to name a few. Never before have we been judged by video, for an entry we didn't think we'd submitted, during a COVID pandemic.

Thanks to the organisers of the 2020 HD-HR Nationals.  
Alan Kenzler

**We just want to "paws".....**

to say thank you for the use of your club oval and for making us feel welcome.

It's "pawfect". There's space to do obedience training, agility, verbal markers and scent work, then to do mat training in the shade of the tree. The covered veranda is a special place to plonk when it's too hot, train when it's wet, or when we need a safe place for the Grandparents when they come to watch.

Thanks to the *Combined Coast Car Club* for your "suppawt" and allowing us to use the area again next year. We are looking forward to resuming training in January.

Merry Christmas and Happy New Year to all. Hope you enjoy the pics of some of our *On-going Advanced Group* at their (wet) 2020 Christmas Party.
