## ALL TORQUE

July 2020

Welcome to July edition of All Torque.

Due to COVID-19 there were no regular club meetings in April and May, management meetings were held in March and July. Minutes of the July meeting can be found in this newsletter as well as correspondence from April and May.

Major points from these meetings were:

- Swap Meet scheduled for September 2020 **cancelled**
- Car Show scheduled for October 2020 **cancelled**
- Sign on day Sunday 19th July from 10am
- Club House going Solar

## Club Meeting and Sign-On Day

We will have a normal club meeting and sign on day on Sunday 19<sup>th</sup> of July 2020 from 10am onwards. We will also have a BBQ/Lunch so please bring something to share eg. Salad, desert, or whatever you wish to bring. But please remember we are still working under the COVID 19 restrictions. Please bring chairs and maybe tables if it is fine we will have lunch/bbq outside as there could be too many people for inside.

## Car Show Cancelled

It was decided due to the COVID 19 restrictions and advice from Council that we will cancel the car show until next year, (17<sup>th</sup> October 2021).

## Club House going Solar

As discussed at the March management meeting that Cliff was to look into getting quotes for Solar for the club house. At the management meeting Cliff Watson tabled quotes etc, for solar and it was moved that the club go ahead with getting the solar installed. This has the potential of not only reducing the clubs power bill to zero but could actually generating income for the club due to feed-in tariffs.

**Actions Taken in April**

We had discussions with between the committee about the use of the club house.

After some toing and froing we came to an agreement with Yasmin for the use of our club house. Yasmin started to use the club house on the 20/04/2020 she

will utilise the clubhouse for a couple of hours per day and is flexible for when Card club starts up again and will pay the club \$100.00 dollars a week till the 4/12/2020. We have her insurance paper work and all is up to date. Yasmin is very happy with the arrangement.

Ian is still happy to work on the grants, and has applied for more one from council to clean the club house.

The membership application from Renta Taru came out of the blue she paid and signed up on line. She is from Nambour she has a 1963 Holden Station wagon and a EJ that is orange.

The same thing for Merryl and Brian Cook they also paid and signed up online. They are from Buderim they have a 1925 Chev and a EJ as well.

Emails to Cynthia & Harley and Jeffrey Morriss informing them that at this moment

in time new membership applications are not being excepted due to their distance from club and inability to meet needs for club rego as they requested.

**Actions Taken**

After some toing and froing we have given Belinda Marinus permission to use

our grounds for \$60.00 a week. She started on Saturday the 06/06/2020 and will

be using the grounds till the 06/12/2020. We will then review if we keep going in the

new year.

# SUMMERNATS

## Start your engines, Red CentreNats is on 4-6 September

Borders are open and Red CentreNats is on with hundreds of classic and modified cars, bikes and utes headed to Alice Springs on Father's Day weekend for one of Australia's best car culture events.

Some of the nation's best street machines join Australia's leading extreme motorsport enthusiasts to compete in competitions that include

Show n Shine, Judging, Burnouts, Drags, Motorkana and Grass Driving with multiple awards and prizes up for grabs at Central's Australian premium in land drag facility.

Get involved as the town comes alive and celebrates the automotive industry at its finest. Road trip with you mates, family or car club to the heart of Australia for the ultimate cruise of a lifetime. With many exciting activities, festivals, and must-see bucket list adventures ahead, jump in the car as all roads lead to Alice on the first week of September.

Run by Summernats and the Northern Territory Major Events Company and now in its sixth year, RCN also features the unique experience of driving your highly modified, high powered, high decibel street machine on the actual streets of Alice Springs over four days of the event. Special dispensations granted by the NT's Department of Motor Vehicles allow some very special cars to get their motors running on the roads, roundabouts and even the McDonalds drive thru. Last year's Saturday night's parade through the Alice Springs city centre featured over 500 vehicles snaking their way past what feels like the entire city out standing on the curbs and corners cheering on the visitors.

Including Wednesday's scrutineering welcome event, there's over 5 days to get up close and personal with other chrome

and horsepower lovers in the desert sun. Presented in conjunction with sanctioning body Motorsport Australia, Red CentreNats also includes opportunities to volunteer as an official within the event competitions and to be a part of the great team delivering an awesome automotive event.

## Alice Springs Reunion off until 2021

The Alice Springs' Road Transport Historical Society has reluctantly decided to cancel this year's Reunion, including the Shell Rimula Wall of Fame induction ceremony, due to restrictions on travel and large gatherings, fuelled by the coronavirus threat.

The 2020 Reunion, which was due to run from August 23 to 30, had promised to be the biggest event to date, with a record number of Wall of Fame nominations.

"Around the world we are seeing travel restrictions, borders being closed on cities, states and countries, residents being forced to stay at home and an increase in infections and deaths from COVID-19," the society says.

"With this background it is with a sad heart that the decision has been made to cancel the 2020 Reunion in August this year," the society says.

"We have invested heavily in the planning for this year's reunion and it is hoped that we can have the benefit of that planning for next year.

"All registrants will receive a full refund and all applications for inductees will be held over to the 2021 Reunion."

Further information can be found at the Road Transport Historical Society website [www.roadtransporthall.com](http://www.roadtransporthall.com) or by contacting general manager Lester Hamilton.

"We thank our sponsors for the support they have shown us this year and we look

forward to their continued involvement and support as we move towards the 2021 Reunion which we anticipate will be a major reunion," the society says.

"In the meantime, if you are able to, we invite you to visit us in Alice Springs and to encourage others to visit us. We are receiving new vehicles, improving the exhibits and the facilities and visitors are very important to our ongoing financial wellbeing."

The Road Transport Historical Society says it has increased measures at the Alice Springs site to protect the health of staff and visitors.

"During this time when advice and best practice are subject to frequent updates we will continue to monitor our activities on a regular basis."

During these difficult times we could all use a good laugh. He's one that club member Jacqui sent in:
