Club Run to Cooloola Berries—Sunday 18th April 2021

Our journey began at the clubhouse. It was a great turnout with 21 plus people in total, several non members, but interested in joining, were included in these numbers. The more the merrier I say.

We left the clubhouse just after 9.45am, heading around the back of Cooroy, along the range almost to Eumundi, veering off along Sunrise Rd ending up at Noosaville. Then back toward Tewantin and off up McKinnon Dr onto Louis Bazzo Dr to Boreen Point and the shooting across to Kin Kin for morning tea in the park.

From Kin Kin we went west across the range to the back of Gympie. There was only one small hiccup on the way when Cliff Watson, who was doing an excellent job in leading the way in his Corvette, stalled on the steepest part of the range, about 50 metres from the crest. After we all managed to manoeuvre around him and pull over to the side of the road and with the assistance of several strapping young gentlemen, managed to push the Corvette over the top of the rise, in which it decided to fire up and off we all went again.

Arriving at Cooloola Berries at about 12:00pm. While some chose to end their journey there and head home, the rest of us chose to sit down in air conditioned comfort for a delicious meal, desert and drinks.

Another successful car run and looking forward to the next.

Next Meeting 7th June 2021

Meeting Closed 7.39pm

Club Social / Games Day to mark National Motoring Heritage Day

National Motoring Heritage Day is held annually on the third Sunday in May. This year clubs across Australia will be holding events on 16th May 2021. The aim of the day is to promote and display Australia's strong motoring heritage and also show the community, business and government the strength of the Australian historic motoring movement.

CCCC is marking the day with a social get-together for club members and has extended an invitation to other local clubs to join us. Some fun "motoring" themed games have been added for those who enjoy a bit of competition. Our vehicles are mobile museums - wear clothing to match the period of your car to complete the heritage theme! The last social was a great day and we are looking forward to more members from clubs across the area meeting at Johnson Park.

Starting 9am. Members are asked to be at the club from 7am to help set-up. NO working bee for this event.

COVID Restrictions and Rules apply. NO Public entry. Contact Ian 0407642627 or Jacqui 0420518222

MOTORFEST

LOOKS TO THE FUTURE

THE CARS OF TOMORROW WILL JOIN CLASSICS FROM YESTERYEAR AT RACQ'S NEW-LOOK MOTORFEST.

STORY GED BULMER | PHOTOS DALE HABERFIELD & RACQ

CHROME BUMPER CLASSICS and rumbling V8 muscle cars will rub guards with silent electric vehicles at this year's RACQ MotorFest, which has a new mid-year date and home at the Brisbane Showgrounds.

After a COVID-impacted 2020, RACQ's annual celebration of all things automotive will return on Sunday 13 June at the new venue and with a fresh focus on the cars of tomorrow.

MotorFest's new Future Zone is a dedicated area where the automotive industry will showcase some of the exciting new features and innovations available in the latest vehicles.

From hybrids to plug-in hybrids, battery electrics to fuel cells, home charging stations to high-voltage fast chargers, Future Zone will showcase the new technologies reshaping the modern automobile.

Of course, MotorFest hasn't forgotten about its roots and will continue to celebrate classic cars and motorcycles while also providing the fun, festive, family atmosphere for which it is renowned.

As with previous years, there will be free entertainment for kids along with rides, face painting and roving entertainment.

There will also be a wide selection of market stalls and food trucks to keep visitors fuelled throughout the day.

After the success of online judging last year, it will continue this year, with a key difference being the return of a physical display for the hundreds of vehicle entries expected.

“...it will be wonderful to physically showcase some of the amazing cars, bikes and trucks that are such an integral and interesting part of the fabric of Queensland's motoring history.”

As before, there is a category for most vehicle types including American, Asian, Australian, British, European, Motorcycle, Veteran and Vintage.

Those interested in exhibiting are encouraged to register and submit photos and information on their vehicles at racq.com/motorfest.

Winning entries, including this year's outright winner, will be announced at the event.

“Last year's online judging was an amazing success. In a year when many of us became all-too familiar with using online tools in our everyday work,” RACQ's Lucinda Ross said.

“But with the COVID-19 health scare now less prominent, it will be wonderful to physically showcase some of the amazing cars, bikes and trucks that are such an integral and interesting part of the fabric of Queensland's motoring history.”

“The fact MotorFest is evolving with a growing focus on the cars and transport innovations of the future is also exciting.”

“RACQ MotorFest will showcase to Queenslanders the exciting options that are out there beyond the internal combustion engine, from hybrids to hydrogen cars, charging systems and much more.”

“With its combination of the hi-tech cars of tomorrow, right alongside the chrome bumper classics of yesteryear, RACQ MotorFest is undoubtedly one of the most unique and exciting motoring events on the calendar.” ■

RACQ MOTORFEST 2021

WHERE: Brisbane Showgrounds, 600 Gregory Terrace, Bowen Hills.

WHEN: Sunday 13 June, 10am-3pm.

COST: \$2 gold coin, donated to RACQ Foundation.

For more information and display vehicle registration visit racq.com/motorfest.

RACQ MotorFest will be operating under an approved COVID Safe Plan. All visitors will be required to check in on arrival and provide up-to-date information for contact-tracing purposes.
