## Club Run to Baroomba Dam and Cooloola Berries

Oh the joys of a classic car run! First time we've had 4 break-downs on one run!

1. "Black Stallion" didn't make it out of the street, leaving Ian & Leslie to hit the road in the 4WD.
2. "Blue Mini" refused to budge into gear leaving Shirley & John to wait for RACQ assistance at Boorumba Dam camp grounds. Thanks Darryl & Travis for your efforts.
3. The Daimler suffered an electrical ignition fault at the top of Boorumba Dam, leaving Dennis & Yvonne in the hands of the RACQ on their first club run. Plans for Yvonne's birthday lunch abandoned
4. Care-taker Chelsea limped "The Hearse" home after a mechanical failure on the way to Cooloola Berries.

Glad everyone and their vehicles arrived home safely. Great run, good company, good food. Can we please have a less eventful run in July!

Happy Birthday

*To all members celebrating their Birthday in June!*

## Baroon Pocket Dam / Golden Beach Sunday 29<sup>th</sup> May

After postponing this run from the previous week of rain we were lucky to have some fine weather on our side. We left the club house at 9.00 am and headed out via Kenilworth through Conondale to Maleny. The road from Kenilworth to Conondale was a bit sketchy but we played follow the leader and zig-zagged our way around the pot holes. The landscape was green and picturesque after the recent rains and it was a very enjoyable drive. We stopped off at the Maleny Bakery to grab some treats and some couldn't resist a visit the Op Shop just in case there were some bargains or that rare find. From there we headed to Baroon Pocket Dam Maleny side where we had morning tea and enjoyed the surroundings before heading down the range. It was a very clear day and the views below us out to the ocean were spectacular. We proceeded into Caloundra where we caught up with the Barry and Suzanne and also Arthur and Denise. We enjoyed a picnic lunch and afternoon tea in the warm sun at Golden Beach looking out over Pumicestone Passage before packing up late in the afternoon to make our way home and back to reality. Thanks to everyone who came along after the change of date. The day was worth it.

## Member Profile

Where to start our "Member Profile" section was a difficult decision. Longest memberships, newest members, club member of the year? In the end, club member Shirley Wilde and her partner John Sanderson won the checkered flag. For several years Shirley has provided the supper we enjoy after our club meetings, while John is our current President and immediate past Vice-President.

**Members** Shirley Wilde & John Sanderson

**Membership** No 369

**Joined** July 2015

**Car** 1974 Mini Panel Van (Auto!)

**Club Awards** Club Member of the Year

**Occupation** Retired

### Why do you have a Mini?

Shirley's former partner rebuilt 2 Mini's – one for him and one for Shirley. Shirley's Mini was completed just before Eric passed away.

### What do you do in your spare time?

John and Shirley are passionate fishers. Unfortunately the recent bad weather has stifled getting out on the water for their favourite fish, whiting and flathead. In true Qld style, they enjoy eating their fish cooked in XXXX Gold beer-batter with home-made chips in winter or salad in the summer months. They recently spent time holidaying on the water in a Rainbow Beach houseboat. John also enjoys model trains and flying radio controlled aeroplanes. Shirley has a learners licence for drones. She has given up her sewing machine in favour of a scroll saw to create some amazing fret work gifts. Shirley also has an interest in orchids and recently won a stunning pink one.
