Meeting Closed

9.00 pm

## New Member Profile

**Name: Robert Epps**

**Joined: 5th February 2018**

**Vehicle: 1979 F100 4x4**

Robert joined the club at the AGM in February this year and foolishly volunteered for the role of newsletter editor.

Rob moved to the area 3 years ago with his wife Rosina and kids Alex and Charlotte. Prior to that he lived in Peregian, Coolumb, Brisbane and Perth although originally hails from Croydon, UK.

Rob is an IT geek and self confessed Ford Man having owned several of them over the years including a 1969 XW Falcon Futura, 1977 F100, several Cortina's and an '87 LTD. His current daily driver though is a Mitsubishi Triton Dual Cab ute.

"I would have preferred a Ford Ranger but at almost half the price the Triton just made more sense financially"

Rob's current project is a 1979 F100 4x4 with a 351 V8.

"I always regretting selling my old '77 F100 and promised myself I'd get another one eventually. When this '79 came up for sale I convinced the wife it would be a great bonding project for myself and our 11 year old son Alex."

The truck needs a lot of work, rear brakes are shot and the steering is very vague (common problem on these). The engine is tired but runs ok for now and the cab needs a lot of minor rust repairs and new paint.

## Tyre Size Comparison

Thinking about changing tyre size? There are a number of online calculators available which will tell you exactly what the differences are between two sizes. They can even calculate the affect it will have on your speed. For example: [tiresize.com](http://tiresize.com)
