IMPORTANT MESSAGE RE COVID-19

CCCC Members and Families

The management committee has discussed the potential impact of the coronavirus COVID-19 on our members, club and community. The number one concern is the health of all our members and their families, particularly those who are vulnerable if exposed to this virus.

Committee has therefore made the decision to cancel all club monthly meetings and cruises until further notice.

Committee also held a monthly meeting on 27th March with the minimum required members. The minutes of this meeting can be found in this newsletter. The next meeting will be held on 26th June.

Due to their being no meetings and little going on there will be no newsletter until July. Please keep an eye on the clubs Facebook page and/or email for further updates.

In the meantime things will continue as normal as possible. The management committee will continue with the regular running of the club - pay the bills, deal with the correspondence, handle memberships etc.

As you can appreciate, this situation is unprecedented and ever changing. Members will be updated with any relevant changes, including updates on the Swap Meet and Cooroy Car Show.

Any one with queries can either phone the appropriate committee member or email admin@combinedcoastalcarclub.com.au. (Details attached)

Please follow the professional advice on how to keep yourselves and others well during the COVID-19 outbreak. Looking forward to a ripper of a club event when the community returns to "normal". We look forward to seeing all of our members and their families as soon as possible.

Stay safe

Regards

The annual Cooroy Fusion Festival, planned for Saturday 9 May, will be postponed in line with advice from the Federal government to ban gatherings of over 500 people. The Coronavirus is proving to be a testing time for all and keeping our most vulnerable community members safe is our utmost priority.

So where to from here? The committee will assess the situation in the coming months, and we will keep you all updated on an alternate event later in the year. By then, the community may well and truly need a fun, free and fabulous event.

Welcome New Members

Hello

My name is Merryl Cook and I am sending a Membership Application on behalf of my husband Brian.

As you can see from Brian's list he has a variety of cars and has loved cars all his life..

I don't share his passion but I tolerate it as he has worked hard all his life and deserves to be happy in his shed.

1925 Chevrolet Buckboard

1932 Rolls Royce Limo

1963 Holden Premier EJ Sedan

1964 Jaguar Mark II

1964 Holden Premier EH Station Wagon

None of them are registered at the moment but he has a team of people helping him to get them finished and roadworthy.

He spent the last 30 years of his working life driving Brisbane to Perth and retired in November 2017.

He bought the 1925 Chev from an auction in Orange so I have put before and after photos. Her name is Dorothy.

The EJ was in a paddock for years near Brewarrina and I remember thinking when it came home "why in the world so he want that for".

Thank you for your time and I look forward to meeting you in the future.

Kind regards

Merryl Cook

IMPORTANT NOTICE

The Bundaberg Early Holden Club All Holden Day attracts a large number of entrants, stall holders and approx 2000 people through the gates each year, so in accordance with current Government requirements to ban events of over 500 people due to COVID-19 pandemic the decision has been made to cancel this year's show scheduled for 9th May.

The health and safety of our members and members of the community are of the highest importance – this is certainly a very challenging time for everyone but by following directives set down by the government hopefully we can eradicate the spread of this virus.

If you have already paid for car entry/site fee – a refund will be organised.

We thank you for your understanding and the show will be back bigger and better next year and we look forward to your patronage again.
