RURAL FIRE BRIGADES ASSOCIATION QUEENSLAND INC. ABN. 37 417 474 709

Rural Fire Brigades Association Queensland (RFBAQ) is the Queensland association that leads and represents the interests of the over 1,400 volunteer brigades and over 36,000 volunteers (both firefighters and support members) in Queensland.

In addition to actively providing funding to the brigades through corporate sponsorship, art union ticket sales and the grants program, we pursue issues and projects of relevance to or brigades and volunteers.

RFBAQ is committed to ensuring that the wider community recognises the level of commitment, professionalism, service as well as the social and economic contribution made by the brigades and the volunteers.

In order to achieve these goals, RFBAQ proactively campaigns and lobbies all levels of Government to ensure that the views of our members are heard in the public domain.

They form the greatest band of volunteers anyone could hope to meet and the RFBAQ is proud to support and represent them.

The Association also supports the 2,600 (or so) rural fire wardens who are an integral and highly valued part of the rural fire fighting movement - many of them volunteer firefighters as well.

Together, our Rural Fire Brigades volunteers are out there 'Fighting the Good Fight' and focused on protecting rural Queensland, which represents 93% of the state's land area. That's a big job in anyone's language and they deserve all the support that we can provide.

Our state's volunteer fire brigades are as diverse as Queensland itself. In country towns and tiny remote settlements, more than 1,400 brigades stand ready to respond. Not only do they respond to fire, but almost any other threat to the well-being of their local communities.

BENEFICIARIES

This year's show was put together with a lot of hard work by the show committee and other members. Thanks to them and those who supported the show, the following community groups will all receive donations from the Combined Coastal Car Club. Four of them have already featured in newsletters, but you can look forward to learning more about the work of Katie Rose Cottage and the Domestic & Family Violence Service Cooroy in future editions. Message From The President

It was a bit wet on the ground but the day was great! The car show went off the best we could muster. With well over one hundred cars on display and the odd twenty or so in the car park, the public came in droves - some for the swap and the rest to meet and talk to the owners of the cars.

The new entrance draw was a big hit with over twenty prizes handed out over the day. The major prize raffle was huge! The food from the Lions was way on par and so were all the other goodies from vendors on the day! The music and MC were on form and kept us entertained.

I would like to thank Mayor Tony Wellington for coming to the show to award the prizes. Thanks also go to Tex and his SES mates for looking after the parking on the day, the generous sponsors who supported us, the judges for a most difficult time with all the fantastic cars, the public for coming to see some awesome vehicles; and most of all the show committee members and all the other club members who worked so hard in the lead up to the show on the working bees, to all who donated raffle prizes, and those who were there on the day for the preparation of the grounds and running the show. All in all well done guys and girls!! You were awesome!

- Cliff Watson, club president.
