## Car Show—October 21st 2018

The car show was a big success with over 130 cars and 1100 members of the public. The weather held off just long enough!

Many thanks to photographer Tracy Backhouse

### Business Arising

Noosa Pitstop - general discussion was held on the history, merits and downsides of the event. Hidden cost of collecting the light tower. Cliff and others have never been compensated for the cost to collect and return the tower to Nambour. When the new Franchise owners ceased opening on Friday nights and discontinued sponsorship of raffles, coupled with cancellations when it rained, the number of cars has significantly reduced. All agreed that it was a good idea initially but had run its course. Cliff Watson **Moved** and Travis Adams **Seconded** that the Car Club cease participating at Noosa Pitstop **Carried**.

Noosa Show – well represented by Members with their cars. An enjoyable day with great memories.

The inaugural meeting between Car Club Committee and Cooroy Chamber of Commerce (CoC) was held on 24 September at the CCCC club house. Now that the CoC is managing the RV Stopover, it was acknowledged that it would be considered good practice to meet to discuss common issues. Subjects discussed included: thank you to businesses donating items for goodie bags; confirmation of lease areas; future RV caretaker requirements eg electricity, water; gate padlocks; future plans for RV stopover; CoC to loan marquees for Car Show; CoC may install sea containers for storage; discussed re-engaging with Lorikeets and other RV clubs, need to check car club's insurance; agreed to meet on a 6 monthly basis.

Swap meet wrap-up: made a profit; working bee well attended; main jobs to mark field and clean toilets; swappers seemed happy; while there were reports from some about issues with food, the Cooroy Rotary Club is to be congratulated for agreeing to cater for breakfast on very short notice; Car Club to discuss managing food next year; lots learnt by those helping out; all in all, the swap was a success, considering there was no committee and being held on a separate date from the car show. Cliff Watson **Moved** and Darryl Nielsen **Seconded** that future swaps be held on the 3<sup>rd</sup> Sunday in September and the Car Show on the 2<sup>nd</sup> last Sunday of October. **Carried**

2019 Swap Meet 22 September and 2019 Car Show 20 October

### General Business

The Noosa Council has advised the Car Club that there are Grants available for Not for Profit Organisations. Ian to seek quotes from firms to: 1. replace club house gutters and down pipes; and 2. replace fluorescent lights with LEDs.

Alan Kenzler spoke about the trip he made recently to the Toowoomba Show & Shine and Swap. The annual show is held at the rugby league field on the south side of town high up and exposed to all the elements. Alan said that Saturday produced fine weather for the swap. Somewhere through the night that all changed. The morning brought rain and fog. So bad was the weather, the show organisers had no alternative other than to cancel the Sunday show before it even started. Alan said they didn't want to chop up the footy grounds. Therefore, the Toowoomba Club was left with all the food and trophies. All entry fees will be held over until next year. There is always a risk of bad weather on the day of planned events. Darryl also told the story of being caught out once without cold weather gear at a car show in Toowoomba.

## Minutes of meeting 1st October 2018 (Continued)

Club First Aid Kit: Bea Nielsen has advised that following an audit of the contents, it was found that most were well out of date. Ian Skipworth to arrange replacement from M1 First Aid & Safety Supplies in Gympie.

### Car Show Report

### Black Stallion by Ian Skipworth

I purchased my FJ from a life-long mate Grahame in the early 70s. Grahame bought the car from the original owner who lived in New Farm Brisbane. It was undercoat grey at the time and needed a few panels and other bits and pieces bolted back on before I could drive it home. It became the second car to our family. Sadly, due to the financial constraints of raising a family, I had to deregister the car and hand over the original Q plate. So, it sat under the house until the mid-nineties when we decided to get it back on the road. Black was the choice of colour, which led to its name, even though the original colour was Manly Blue. It was completed in time to drive to the Shepparton Nationals. I have attended the Logan and Bathurst Nationals since, driving both times. This time, I will be trailering the car as this year's Nationals is being held at Murray Bridge SA. It has a few scratches here and there now, due to country road trips and regular club runs. But as you know, you can't enjoy them when they stay in the garage.
