THE NOOSA STRADE BIANCHE 2018

To Coastal Car Club.

Once again, the 2018 Noosa Strade Bianche event was a remarkable success. The cyclists were excited to tell us this year's event was without doubt the best event yet. The show and shine on Saturday welcomed some very exceptional bikes, & the judge's choice was made exceptionally hard with the quality of bikes on display. Many commented on what a great experience the ride was, with the provisions at the rest stops, additional directional signage, graded roads, recovery vehicles, and the extra volunteer help & all this with the abundant beauty of the Noosa hinterland. However, this event was only made possible with your help and sponsorship. The Noosa Strade Bianche committee wish to express our thanks and gratitude for your kind support.

Thank You and Kind Regards from The Noosa Strade Bianche Committee.

**WE SUPPORT
THOSE WHO
SUPPORT US.**

The following article appeared in the Cooroy Rag and Noosa News re the clubs 25 year celebration.

While the celebration weekend has been and gone, the article is worth a read for those who missed it.

The *Combined Coastal Car Club*, commonly known as the Cooroy Car Club, is celebrating 25 Years in August 2018.

The Club was initially formed in Gympie in the early 1980's and called the Gympie Early Holden Club. As member numbers declined it incorporated all makes and models and was renamed Golden City Car Club. The dominate make was still Holden but all were welcomed. The Club started holding Motorkana events and car shows in Gympie.

In the early 1990's the Club relocated to the Cooroy Soccer Club grounds where the Cooroy RV Stopover is now. The Soccer Club relocated over to the Showgrounds side of Mary River Road to be with the "people" sports and the Cooroy Pony Club relocated over to Johnson Park.

The Car Club was invited to join the Cooroy Sporting Complex Committee, an opportunity we jumped at. A major makeover of the complex occurred. The Car Club was involved from the start in working with the Noosa Council, Cooroy Sporting Complex Committee and the Community. To become a member of the Sporting Complex the Club had to be incorporated, have public liability, a name that reflected the Noosa Shire, and a constitution that reflected what we were about. From early 1991 we started having Shows with our Motorkana events and then Swap Meets – all the time improving the grounds which were pretty average to say the least.

In the early years there wasn't a clubhouse so we had meetings at the Potter's house and the hotel. The membership grew mostly from the Sunshine Coast as far south as Beerwah and north to Gympie and beyond. In 1994/95 it was decided we needed a clubhouse. There was a derelict building on site which the Soccer Club was planning to renovate before they relocated. The roof had been removed because of asbestos, but the outside frame and walls were okay. A truss roof was fitted along with roofing. The internal walls were removed and a lot of work was done by members, Noosa Council, the Sporting Complex and many local businesses to rebuild. We kept on improving it to what we have today.

In order for all this to happen we had to change our name to reflect where we were... ***The Combined Coastal Car Club*** was born.

The Club now holds its annual car Show and Shine in October each year. This year the event will be on Sunday 21st October. The last couple of years have been hampered by wet weather but with a "show must go on" attitude by club members, our sponsors, the local community and car enthusiasts the events have been a success and enjoyed by all who attended.

Several local organisations have benefited with donations from the *Cooroy Car Show*. These include Brighter Future 4 Kids, Life Flight, SES, Katie Rose Cottage and the Rural Fire Brigade.

A week-end of events to celebrate 25 Years as the Combined Coastal Car Club is planned for 25th & 26th August. All Life members, current and past members are invited to attend. More information can be obtained by emailing admin@combinedcoastalcarclub.com or phoning Darryl on 0407 588 697.
