

# Combined Coastal CAR CLUB

ALL TORQUE

September 2021

Hi all,

It was a perfect day for the Noosa Country Show.

The line up was small but impressive, and someone we haven't seen before with a beautiful Mustang, that was production built for Racing!

The crowds were very good, early too, with lots of questions and lots of photos, all were loving our display and the members were giving information on our club, the cars and us as a whole, with lots of discussions especially on how the cars came about.

There was a people's choice award of \$250 and Alan Kenzler won it, well done!

With a minor delay we all went for a lap around the main ring in the Grand Parade.

The public gave us a huge round of applause ( and a little extra encouragement from the loud pedal ) and big cheers!

Cliff Watson

## 2021 Cooroy Car Show Countdown

Our car show is just under a month away!!

The last few years have been tough for car clubs and shows with many impacted by COVID-19 restrictions and lockdowns. Our event was cancelled in 2020 due to COVID-19 restrictions; preceded by three years impacted by wet weather. These things we cannot control. So as a club we work with what we have, host the best show we can, and enjoy the company of other car owners and our community.

Our 2021 plans have been stymied by COVID restrictions, uncertainty and ill-health in the committee. It would have been easy to cancel this year's event, but we decided to go for it. Now it's flat out for the next few weeks!

**Working Bees** – 10<sup>th</sup> and 16<sup>th</sup> October

**Raffle** – Jenny is back on deck working her magic as coordinator.

**Sponsorship** – Rob is also back on deck coordinating sponsorship and donations. It's been a tough year for so many businesses. Many local businesses have been long-term supports of our show and club so please go out of your way to support them now.

**Judging and Trophies** – independent judges are booked. Trophies ordered. The judging software we used last year has been refined for this year.

**Food & Entertainment** – is booked. Our club won't be operating the kitchen this year due to COVID restrictions but will be selling cold drinks as usual. Coffee van and variety of food vendors will be at the event.

**Show Day Roster** – there's extra tasks this year to ensure a COVID safe event. The Show Day Roster is being distributed to members. Nothing on the roster is over-demanding if everybody does something for a short period. Members, please give freely of your time to help enthusiasts, clubs and our community have a great day out.

This will be the first Cooroy Car Show for new members in our club. We will keep you updated through social media and club emails. Please phone Kym 0437412344 or email [cooroycarshow@gmail.com](mailto:cooroycarshow@gmail.com) if you have any queries or just want to chat about what happens and where you can help.
